The Future Growth Illustration defines the geographic locations of area types and place types. It shows the spatial relationship of existing and future development and is intended to be used in conjunction with the Natural Environment Maps (Maps 6-8) and the Road Network Map (Map 25). This Illustration should not be relied upon to determine where specific land uses are allowed; that information is found in City Code Title 10 (Zoning Code) and the Zoning Map. In case of any conflict between the Future Growth Illustration and the Regional Plan's goals and policies, the goals and policies will prevail.
