ARTICLE II
SPECIAL REVENUE OBLIGATIONS

Section 2.1. Authorization of the Obligations

. The Trustee is hereby authorized and directed to execute and deliver to the original purchaser thereof, the Obligations representing proportionate ownership interests in the Payments. In no event shall the Obligations be deemed liabilities, debts or obligations of the Trustee.

Section 2.2. Date; Interest Accrual

. Each Obligation shall be dated the Closing Date, and interest represented thereby shall be payable from such date or from the most recent Interest Payment Date to which interest has previously been paid or made available for payment with respect to the Outstanding Obligations.

Section 2.3. Payment Amounts and Dates and Interest Rates

. The Obligations shall be in Authorized Denominations. Principal represented by the Obligations shall be payable on the dates and in the principal amounts, and interest represented thereby shall be computed at the rates, as shown below:

Payment Date	Payment	Interest
<u>(July 1)</u>	<u>Amount</u>	<u>Rates</u>

Section 2.4. Interest on Obligations

. Interest represented by the Obligations shall be payable semiannually on January 1 and July 1 of each year commencing _____ 1, 20__, to and including the date of payment or prepayment of the amount of principal represented by the Obligations. Except for

the initial period, said interest shall represent the portion of the Payments designated as interest and coming due during the six-month period preceding each Interest Payment Date with respect to the Obligations. The proportionate share of the portion of the Payments designated as interest with respect to any Obligation shall be computed by multiplying the portion of Payments designated as principal with respect to such Obligation by the rate of interest applicable to such Obligation (on the basis of a 360-day year of twelve 30-day months), except that the first portion of the Payments designated as interest shall be for interest from the Closing Date to _____ 1, 20__.

Section 2.5. Form

. The Obligations shall be in fully registered, certificated form, substantially in the form set forth in Exhibit A hereto.

Section 2.6. Execution

Any Obligation may be executed on behalf of the Trustee by such person as at the actual date of the execution of such Obligation shall be the proper authorized representative of the Trustee although at the nominal date of such Obligation such person shall not have been such authorized representative of the Trustee. No Obligation shall be valid or become obligatory for any purpose or shall be entitled to any security or benefit under this Trust Agreement unless and until executed and delivered by the Trustee. The execution by the Trustee of any Obligation shall be conclusive evidence that the Obligation so executed has been duly authorized and delivered hereunder and is entitled to the security and benefit of this Trust Agreement.

Section 2.7. Book-Entry Only System

. The Trustee and the City may from time to time enter into, and discontinue, an agreement with a Securities Depository as the Owner of the Obligations, to establish procedures with respect to the Obligations not inconsistent with the provisions of this Trust Agreement; provided, that, notwithstanding any other provisions of this Trust Agreement, any such agreement may provide that different provisions for notice to the Securities Depository may be set forth herein and that a legend shall appear on each Obligation so long as the Obligations are subject to such agreement. With respect to Obligations registered in the name of a Securities Depository (or its nominee), neither the Trustee nor the City shall have any obligation to any of its members or participants or to any person on behalf of whom an interest is held in the Obligations. It is hereby acknowledged that the City and the Trustee intend to enter into an agreement with DTC in connection with the execution and delivery of the Obligations, and while such agreement is in effect, the procedures established therein shall apply to the Obligations notwithstanding any other provisions of this Trust Agreement to the contrary. As long as DTC is the Securities Depository with respect to the Obligations, the Trustee shall be a "DTC Direct Participant." The Trustee shall not have any responsibility or obligation to DTC participants or

the persons for whom they act as nominees with respect to the Obligations regarding accuracy of any records maintained by DTC or DTC participants, the payments by DTC or DTC participants of any amount in respect of principal or interest represented by the Obligations, any notice which is permitted or required to be given to or by Owners hereunder (except such notice as is required to be given by the City to the Trustee or to DTC), or any consent given or any other action taken by DTC as Owner.

Section 2.9. Transfer and Exchange.

(a) Any Obligation may, in accordance with its terms, be transferred upon the registration books for the Obligations required to be kept pursuant to the provisions of Section 2.13 by the person in whose name it is registered, in person or by his duly authorized attorney, upon surrender of such Obligation for cancellation, accompanied by delivery of a written instrument of transfer in a form approved by the Trustee, duly executed. Whenever any Obligation or Obligations shall be surrendered for transfer, the Trustee shall execute and deliver a new Obligation or Obligations in fully registered form of the same payment date and interest rate and for a like aggregate payment amount.

(b) Obligations may be exchanged at the Designated Office for a like aggregate payment amount of Obligations of Authorized Denominations of the same payment date and interest rate. In connection with any such exchange or transfer of Obligations, the Owner requesting such exchange or transfer shall, as a condition precedent to the exercise of the privilege of making such exchange or transfer, remit to the Trustee an amount sufficient to pay any tax or other governmental charge required to be paid, other than one imposed by the City (which will not be payable by the Trustee), or any fee or expense of the Trustee or the City with respect to such exchange or transfer.

(c) The Trustee may, but shall not be obligated to, exchange or register the transfer of an Obligation (i) if principal represented by the Obligation is to be prepaid, in whole or in part, or (ii) during a period of fifteen (15) days preceding the giving of a notice of prepayment. If an Obligation subject to such prepayment is to be transferred after having been selected for prepayment, any notice of prepayment which has been given to the transferor shall be binding on the transferee and a copy of the notice of prepayment shall be delivered by the Trustee to the transferee along with the duly registered Obligation or Obligations.

Section 2.10. Obligations Mutilated, Lost, Destroyed or Stolen

. If any Obligation shall become mutilated, the Trustee, at the expense of the Owner of said Obligation, shall execute and deliver a new Obligation of like tenor and payment date and amount in exchange and substitution for the Obligation so mutilated, but only upon surrender to the Trustee of the Obligation so mutilated. Any mutilated Obligation so surrendered to the Trustee shall be cancelled by it and redelivered to, or upon the order of, the Owner of such Obligation. If any Obligation shall be lost, destroyed or stolen, evidence of such loss, destruction or theft may be submitted to the Trustee, and, if such evidence is satisfactory to the Trustee and, if an indemnity satisfactory to the Trustee shall be given, the Trustee, at the expense of the Owner of such Obligation, shall execute and deliver a new Obligation of like tenor and payment date and amount and numbered as the Trustee shall determine in lieu of and in substitution for the Obligation so lost, destroyed or stolen. The Trustee may require payment of an appropriate fee for each new Obligation delivered under this Section and of the expenses which may be incurred by the Trustee in carrying out the duties under this Section. Any Obligation issued under the provisions of this Section in lieu of any Obligation alleged to be lost, destroyed or stolen shall be equally and proportionately entitled to the benefits of this Trust Agreement with all other Obligations secured by this Trust Agreement. The Trustee shall not be required to treat both the original Obligation and any replacement Obligation as being Outstanding for the purpose of determining the principal amount of Obligations which may be executed and delivered hereunder or for the purpose of determining any percentage of Obligations Outstanding hereunder, but both the original and replacement Obligation shall be treated as one and the same. Notwithstanding any other provision of this Section, in lieu of delivering a new Obligation for an Obligation which has been mutilated, lost, destroyed or stolen, and which has become due, the Trustee may make payment with respect to such Obligation upon receipt of the aforementioned indemnity.

Section 2.11. Payment.

(a) Payment of interest represented by any Obligation on any Interest Payment Date shall be made to the person appearing on the registration books for the Obligation maintained by the Trustee as the Owner thereof as of the Regular Record Date immediately preceding such Interest Payment Date, such interest to be paid by check mailed on the date due by first class mail to such Owner at the address thereof as it appears on such registration books, payable in lawful money of the United States of America.

(b) The principal represented by any of the Obligations shall be payable in lawful money of the United States of America upon surrender when due at the Designated Office.

(c) Interest and, if satisfactory arrangements for surrender are made with the Trustee and principal payable to any Securities Depository or to any Owner of \$1,000,000 or more in principal amount of Obligations shall be paid by wire transfer in immediately available funds to an account in the United States of America if the Owner makes a written request of the Trustee at least twenty (20) days before the Interest Payment Date specifying the account address. The notice may provide that it shall remain in effect for subsequent payments until otherwise requested in a subsequent written notice.

(d) Any interest represented by any Obligation which is payable on, but is not punctually paid or duly provided for on, any Interest Payment Date (“Defaulted Interest”) shall forthwith cease to be payable to the Owner on the relevant Regular Record Date solely by virtue of such Owner having been such Owner. Such Defaulted Interest shall thereupon be paid, together with interest thereon at the same rate per annum as such Defaulted Interest, by the Trustee (out of funds provided to it by the City) to the persons in whose names such Obligations are registered at the close of business on a special record date for the payment of such portion of Defaulted Interest as may then be paid from the sources herein provided (the “Special Record Date”). When the Trustee has funds available to pay the Defaulted Interest and interest thereon, the Trustee shall fix a Special Record Date for the payment of such Defaulted Interest and interest thereon which shall be not more than fifteen (15) nor less than ten (10) days prior to the date of the proposed payment by the Trustee. The Trustee shall promptly cause notice of the proposed payment of such Defaulted Interest and interest thereon and the Special Record Date therefor to be mailed, first class postage prepaid, to each Owner of an Obligation at his address as it appears in the registration books by the Trustee for the Obligation not less than ten (10) days prior to such Special Record Date. Notice of the proposed payment of such Defaulted Interest and interest thereon and the Special Record Date therefor having been mailed as aforesaid, such Defaulted Interest and interest thereon shall be paid to the persons in whose names the Obligations are registered on such Special Record Date.

Section 2.12. Execution of Documents and Proof of Ownership.

(a) Any request, direction, consent, revocation of consent or other instrument in writing required or permitted by this Trust Agreement to be signed or executed by the Obligation Owners may be in any number of concurrent instruments of similar tenor, and may be signed or executed by such Owners in person or by their attorneys or agents appointed by an instrument in writing for that purpose, or by any bank, trust company or other depository for such Obligations. Proof of the execution of any such instrument, or of any instrument appointing any such attorney or agent, and of the ownership of the Obligations shall be sufficient for any purpose of this Trust Agreement (except as otherwise herein provided), if made in the following manner:

(1) The fact and date of the execution by any Owner or the attorney or agent thereof of any such instrument and of any instrument appointing any such attorney or agent, may be proved by a certificate, which need not be acknowledged or verified, of an officer of any bank or trust company located within the United States of America, or of any notary public, or other officer authorized to take acknowledgments of deeds to be recorded in such jurisdictions, that the persons signing such instruments acknowledged the execution thereof. Where any such instrument is executed by an officer of a corporation or association or a member of a partnership on behalf of such corporation, association or partnership, such certificate shall also constitute sufficient proof of his authority.

(2) The fact of the ownership of the Obligations by any person and the amount, the payment date and the numbers of such Obligations and the date of

his holding the same be proved on the registration books maintained pursuant to Section 2.13.

(b) Nothing contained in this Article II shall be construed as limiting the Trustee to such proof, it being intended that the Trustee may accept any other evidence of the matters herein stated which the Trustee may deem sufficient. Any request or consent of the Owner of any Obligation shall bind every future Owner of the same Obligation in respect of anything done or suffered to be done by the Trustee in pursuance of such request or consent.

Section 2.13. Obligation Register

. The Trustee will keep or cause to be kept, at the Designated Office, sufficient books for the registration and transfer of the Obligations which shall at all times during regular business hours on any Business Day be open to inspection by the City and, upon presentation for such purpose, the Trustee shall, under such reasonable regulations as it may prescribe, register or transfer or cause to be registered or transferred, on said books, Obligations as hereinbefore provided.

Section 2.14. Payment of Unclaimed Amounts

. In the event any check for payment of interest represented by an Obligation is returned to the Trustee unendorsed or is not presented for payment within two (2) years from its payment date or any Obligation is not presented for payment of principal when due, including because of prepayment, if funds sufficient to pay such interest or principal due upon such Obligation shall have been made available to the Trustee for the benefit of the Owner thereof, it shall be the duty of the Trustee to hold such funds, without liability for interest thereon, for the benefit of the Owner of such Obligation who shall thereafter be restricted exclusively to such funds for any claim of whatever nature relating to such Obligation or amounts due thereunder. The obligation of the Trustee to hold such funds shall continue for two years and six months (subject to applicable escheat laws) following the date on which such interest or principal payment became due or the date fixed for prepayment, at which time the Trustee shall surrender such unclaimed funds so held to the City, whereupon any claim of whatever nature by the Owner of such Obligation arising under such Obligation shall be made upon the City.

(ii) Project Costs will be paid directly to the Contractor, the Vendor or the payee named in the applicable Payment Request Form unless the Contractor, the Vendor, the payee named or the City Representative request payment to be made to the Contractor, the Vendor or the payee named and another party jointly, in which case such cost shall be paid jointly.

(2) Should any shortfall or deficiency occur in the Acquisition Fund, the City shall immediately pay such amounts to the Trustee in addition to the Payments otherwise due pursuant to the Purchase Agreement.

(3) Amounts in the Acquisition Fund shall be used to pay principal of and interest on the Obligations if insufficient funds are otherwise available to make such payments when due.

(4) On the Completion Date, all remaining moneys in the Acquisition Fund shall be transferred to the Payment Fund and applied by the Trustee to the Payments due from the City on the next succeeding Interest Payment Date, and the Acquisition Fund shall be closed.

The City shall, at least forty-five (45) days prior to the prepayment date, notify the Trustee of such prepayment date and of the payment dates of the Obligations and the payment amount of principal represented by the Obligations due on any such payment date to be prepaid on such date. For the purposes of any prepayment of less than all of the Obligations payable on a single payment date, if the Obligations are not held in a book-entry-only system as described in Section 2.7, the particular Obligations or portions of Obligations payable on the date(s) selected to be prepaid shall be selected by the Trustee by lot in accordance with its standard procedures not more than forty-five (45) nor less than thirty (30) days prior to the prepayment date by such selection methods as the Trustee shall in its sole discretion deem appropriate and fair; provided, however, that such selection methods shall provide for the selection of Obligations or portions thereof for prepayment in principal amounts of \$5,000 or integral multiples thereof such that any \$5,000 Obligation or \$5,000 portion of an Obligation payable on the date selected shall be as likely to be called for prepayment as any other such \$5,000 Obligation or \$5,000 portion thereof. The Trustee shall promptly notify the City in writing of the Obligations so selected for prepayment, and the City will provide the Trustee within thirty (30) days a recomputed payment schedule for the Purchase Agreement. Notwithstanding the foregoing, the Securities Depository for Obligations held in a book-entry-only system shall select the Obligations for prepayment from Obligations maturing in a given year according to its stated procedures. While the City intends that allocations be made in accordance with the foregoing proportional provisions, the selection of Obligations for prepayment shall be subject to practices and procedures of the Securities Depository as in effect from time to time.

Section 4.3. Notice of Prepayment; Effect.

(a) The Trustee shall cause notice of any optional prepayment hereunder to be mailed to the Owners of all of the Obligations to be prepaid at the addresses appearing in the Register kept for such purpose pursuant to Section 2.13. No defect affecting any Obligation, whether in the notice of prepayment or the delivery thereof (including any failure to mail such notice), shall affect the validity of the prepayment proceedings for any other Obligations.

(b) If at the time of mailing of notice of an optional prepayment of principal represented by Obligations, there has not been deposited with the Trustee moneys or Defeasance Obligations sufficient to prepay all Obligations subject to such prepayment and the requirements of (e) below are not satisfied, then such notice shall state that the prepayment is conditional upon the deposit of moneys or Defeasance Obligations sufficient for the prepayment with the Trustee and satisfaction of such requirements not later than the opening of business on the prepayment date, and such notice will be of no effect and such Obligations shall not be prepaid unless such moneys or Defeasance Obligations are so deposited and such requirements in (e) below are met.

(c) Any notice of prepayment shall be mailed by first class mail, postage prepaid; provided that any notice of prepayment given to any Owner of \$1,000,000 or more in aggregate principal amount of Obligations also shall be transmitted Electronically. A certificate of the Trustee shall conclusively establish the mailing or delivery of any such notice for all purposes.

(d) Notice having been mailed in the manner provided in (a) above, the Obligations and portions thereof, principal which is represented thereby, shall become due and payable on the prepayment date, and upon presentation and surrender of such Obligation at the place or places specified in that notice, shall be paid at the prepayment price, plus interest accrued to the prepayment date.

(e) If the money or Defeasance Obligations for the prepayment of all of the portion of principal represented by the Obligations to be prepaid, together with interest accrued thereon to the prepayment date, is held by the Trustee on the prepayment date, so as to be available therefor on that date, then from and after the prepayment date such principal thereof to be prepaid shall cease to bear interest, and, the Obligations or portion thereof represented thereby no longer shall be considered to be Outstanding hereunder. If those moneys shall not be so available on the prepayment date, such principal shall continue to bear interest, until paid, at the same rate as they would have borne otherwise.

(f) All moneys deposited in the Payment Fund and held by the Trustee for the prepayment of such portions of principal represented by particular Obligations shall be held in trust for the account of the Owners of such Obligations and shall be paid to them, respectively, upon presentation and surrender of those Obligations.

Not less than thirty (30) Business Days prior to each Interest Payment Date, the Trustee shall notify the City of the amount required to be paid, after taking into account amounts which will be transferred to the Payment Fund in accordance herewith, on or before such Interest Payment Date, so that a sufficient amount will then be on deposit for both principal and interest represented by the Obligations then due. All amounts received by the Trustee as Payments pursuant to the Purchase Agreement or as transfers pursuant hereto shall be deposited in the Payment Fund.

(c) All amounts in the Payment Fund shall be used and withdrawn by the Trustee solely for the purpose of paying the principal and interest represented by the Obligations as the same shall become due and payable, in accordance with the provisions of Articles II and IV.

To the extent permitted by law, the City specifically waives compliance with 12 Code of Federal Regulations 12 and hereby notifies the Trustee that no brokerage confirmations need be sent relating to the security transactions as they occur.

Section 6.3. Accounting

. The Trustee shall furnish to the City, not less than semiannually, an accounting (which may be in the form of its customary statement) of all investments made by the Trustee. The Trustee shall not be responsible or liable for any loss suffered in connection with any investment of funds made by it in accordance with Section 6.2.

Section 6.4. Allocation of Earnings

. Any income, profit or loss on such investments shall be deposited in or charged to the respective funds from which such investments were made, and any interest on any deposit of funds shall be deposited in the fund from which such deposit was made, except as otherwise provided herein. At the direction of the City Representative, any such income, profit or interest shall be transferred and applied if necessary to pay amounts due pursuant to section 148 of the Code.

Section 6.5. Valuation and Disposition of Investments

. For the purpose of determining the amount in any fund, all Permitted Investments credited to such fund shall be valued at Market Value. The Trustee may sell or present for redemption, any Permitted Investment so purchased by the Trustee whenever it shall be necessary in order to provide moneys to meet any required payment, transfer, withdrawal or disbursement from the fund to which such Permitted Investment is credited, and the Trustee shall not be liable or responsible for any loss resulting from such investment.

Section 6.6. Limitation of Investment Yield

. In the event the City is of the opinion that it is necessary to restrict or limit the yield on the investment of any amounts paid to or held by the Trustee hereunder in order to avoid the Obligations, or any of them, being considered “arbitrage bonds” within the meaning of section 148 of the Code, the City Representative may issue to the Trustee a written certificate to such effect (along with appropriate instructions), in which event the Trustee will take such action as is instructed so to restrict or limit the yield on such investment in accordance with the specific instructions contained in such certificate.

Section 6.7. Other Tax Covenants

. In consideration of the acceptance and execution of the Purchase Agreement by the Trustee and the purchase by the Owners, from time to time, and in consideration of retaining the exclusion of the portion of each Payment denominated as and comprising interest pursuant to the Purchase Agreement and received by the Owners for federal income tax purposes, the City

shall, from time to time, neither take nor fail to take any action, which action or failure to act is within its power and authority and would result in such portion of each such Payment becoming subject to inclusion in gross income for federal income tax purposes under either laws existing on the date of execution of the Purchase Agreement or such laws as they may be modified or amended or tax laws later adopted. The City shall comply with such requirement(s) and will take any such action(s) as are necessary to prevent such portion of each such Payment from becoming subject to inclusion in gross income for federal income tax purposes. Such requirements may include but are not limited to making further specific covenants; making truthful certifications and representations and giving necessary assurances; complying with all representations, covenants and assurances contained in certificates or agreements required by any Special Counsel's Opinion; to pay to the United States of America any required amounts representing rebates of arbitrage profits relating to the Obligations; filing forms, statements and supporting documents as may be required under the federal tax laws; limiting the term of and yield on investments made with moneys held pursuant to this Trust Agreement and limiting the use of the proceeds of the Obligations and property financed thereby.

ARTICLE VII THE TRUSTEE

Section 7.1. Appointment of Trustee

. The City hereby authorizes and directs the Trustee to, and the Trustee shall, execute and deliver the Purchase Agreement, as Seller, and receive all moneys required to be deposited with the Trustee hereunder and shall allocate, use and apply the same as provided in this Trust Agreement. The City shall maintain as the Trustee a bank or trust company with a combined capital and surplus of at least Fifty Million Dollars (\$50,000,000), and subject to supervision or examination by federal or State authority, so long as any of the Obligations are Outstanding. If such bank or trust company publishes a report of condition at least annually pursuant to law or to the requirements of any supervising or examining authority above referred to then for the purpose of this Section, the combined capital and surplus of such bank or trust company shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published.

Section 7.2. Liability of Trustee; Standard of Care

. Except with respect to its authority and power generally and authorization to execute this Trust Agreement, the recitals of facts, covenants and agreements herein, in the Purchase Agreement and in the Obligations shall be taken as statements, covenants and agreements of the City, and the Trustee assumes no responsibility for the correctness of the same, or makes any representations as to the validity hereof or sufficiency of this Trust Agreement, the Purchase Agreement or the Obligations or shall incur any responsibility in respect hereof or thereof, other than in connection with the duties or obligations herein or in the Obligations assigned to or imposed upon them, respectively. Prior to the occurrence of an Event of Default, or after the timely cure of an Event of Default, the Trustee shall perform only such duties as are specifically set forth in this Trust Agreement and no implied obligations or covenants should be read into this Trust Agreement against the Trustee. After the occurrence of an Event of Default,

the Trustee shall exercise such of the rights and powers vested in it, and use the same degree of care and skill in such exercise, as a prudent person would exercise under the circumstances in the conduct of the affairs of the Trustee.

Section 7.3. Merger or Consolidation

. Any company into which the Trustee may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it shall be a party or any company to which the Trustee may sell or transfer all or substantially all of its municipal corporate trust business, provided that such company shall be eligible under Section 7.1, shall be the successor to the Trustee without the execution or filing of any paper or further act, anything herein to the contrary notwithstanding.

Section 7.4. Protection and Rights of the Trustee.

(a) The Trustee shall be protected and shall incur no liability in acting or proceeding in good faith upon any resolution, notice, telegram, request, consent, waiver, certificates, statements, affidavit, voucher, bond, requisition or other paper or document which it shall in good faith believe to be genuine and to have been passed or signed by the proper board or person or to have been prepared and furnished pursuant to any of the provisions of this Trust Agreement, and the Trustee shall be under no duty to make any investigation or inquiry as to any statements contained or matters referred to in any such instrument, but may accept and rely upon the same as conclusive evidence of the truth and accuracy of such statements. The Trustee shall not be bound to recognize any person as an Owner of any Obligation or to take any action at his request unless such Obligation shall be deposited with the Trustee and satisfactory evidence of the ownership of such Obligation shall be furnished to the Trustee. The Trustee may consult with counsel with regard to legal questions, and the advice or opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it hereunder in good faith in accordance therewith.

(b) Whenever in the administration of its duties under this Trust Agreement, the Trustee shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) shall be deemed to be conclusively proved and established by the certificate of the City Representative and such certificate shall be full warranty to the Trustee for any action taken or suffered under the provisions of this Trust Agreement upon the faith thereof, but in its discretion the Trustee may, in lieu thereof, accept other evidence of such matter or may require such additional evidence as to it may seem reasonable.

(c) The Trustee may become the Owner of the Obligations with the same rights it would have if it were not Trustee; may acquire and dispose of other bonds or evidence of indebtedness of the City with the same rights it would have if it were not the Trustee and may act as a depository for and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of Owners of Obligations, whether or not such committee shall represent the Owners of the majority in principal amount of the Obligations then Outstanding.

(d) The recitals, statements and representations by the City contained in this Trust Agreement, the Purchase Agreement or the Obligations shall be taken and construed as made by and on the part of the City and not by the Trustee, and the Trustee does not assume, and shall not have, any responsibility or obligation for the correctness of any thereof.

(e) The Trustee may execute any of the trusts or powers hereof and perform the duties required of it hereunder by or through attorneys, agents, or receivers, and shall be entitled to advice of counsel concerning all matters of trust and its duty hereunder, and the Trustee shall not be answerable for the default or misconduct of any such attorney, agent, or receiver selected by it with reasonable care. The Trustee shall not be answerable for the exercise of any discretion or power under this Trust Agreement or for anything whatever in connection with the funds and accounts established hereunder, except only for its own willful misconduct or negligence.

(f) No provision in this Trust Agreement shall require the Trustee to risk or expend its own funds or otherwise incur any financial liability (including, without limitation, any and all environmental liability) in the performance of any of its duties hereunder or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or indemnity satisfactory to it against such risk or liability is not reasonably assured to it.

(g) The Trustee shall not be accountable for the use or application by the City or any other party of any funds which the Trustee has released in accordance with the terms of this Trust Agreement.

(h) The Trustee makes no representation or warranty, express or implied, as to the title, value, design, compliance with specifications or legal requirements, quality, durability, operation, condition, merchantability or fitness for any particular purpose or fitness for the use contemplated by the City of the Projects. In no event shall the Trustee be liable for incidental, indirect, special or consequential damages in connection with or arising from the Purchase Agreement or this Trust Agreement for the acquisition of the Projects.

(i) Notwithstanding any provision in this Trust Agreement or the Purchase Agreement to the contrary, the Trustee shall not be required to take notice or be deemed to have notice of an Event of Default, except an Event of Default under Section 8(a)(i)(A) of the Purchase Agreement, unless a Responsible Officer of the Trustee has actual notice thereof or is specifically notified in writing of such default by the City or the Owners of at least twenty-five percent (25%) in aggregate principal amount of all Obligations then Outstanding.

(j) The Trustee shall have the right to accept and act upon instructions, including funds transfer instructions (“Instructions”) given pursuant to this Trust Agreement and delivered using Electronic Means (“Electronic Means” shall mean the following communications methods: e-mail, facsimile transmission, secure electronic transmission containing applicable authorization codes, passwords and/or authentication keys issued by the Trustee, or another method or system specified by the Trustee as available for use in connection with its services hereunder.); provided, however, that the City shall provide to the Trustee an

incumbency certificate listing officers with the authority to provide such Instructions (“Authorized Officers”) and containing specimen signatures of such Authorized Officers, which incumbency certificate shall be amended by the City, whenever a person is to be added or deleted from the listing. If the City elects to give the Trustee Instructions using Electronic Means and the Trustee in its discretion elects to act upon such Instructions, the Trustee’s understanding of such Instructions shall be deemed controlling. The City understands and agrees that the Trustee cannot determine the identity of the actual sender of such Instructions and that the Trustee shall conclusively presume that directions that purport to have been sent by an Authorized Officer listed on the incumbency certificate provided to the Trustee have been sent by such Authorized Officer. The City shall be responsible for ensuring that only Authorized Officers transmit such Instructions to the Trustee and that the City and all Authorized Officers are solely responsible to safeguard the use and confidentiality of applicable user and authorization codes, passwords and/or authentication keys upon receipt by the City. The Trustee shall not be liable for any losses, costs or expenses arising directly or indirectly from the Trustee’s reliance upon and compliance with such Instructions notwithstanding such directions conflict or are inconsistent with a subsequent written instruction. The City agrees: (i) to assume all risks arising out of the use of Electronic Means to submit Instructions to the Trustee, including without limitation the risk of the Trustee acting on unauthorized Instructions, and the risk of interception and misuse by third parties; (ii) that it is fully informed of the protections and risks associated with the various methods of transmitting Instructions to the Trustee and that there may be more secure methods of transmitting Instructions than the method(s) selected by the City; (iii) that the security procedures (if any) to be followed in connection with its transmission of Instructions provide to it a commercially reasonable degree of protection in light of its particular needs and circumstances; and (iv) to notify the Trustee immediately upon learning of any compromise or unauthorized use of the security procedures.

(k) The Trustee shall not be liable to the parties hereto or deemed in breach or default hereunder if and to the extent its performance hereunder is prevented by reason of force majeure. The term “force majeure” means an occurrence that is beyond the control of the Trustee and could not have been avoided by exercising due care. Force majeure shall include acts of God, terrorism, war, riots, strikes, fire, floods, earthquakes, epidemics or other similar occurrences.

(l) The Trustee shall have no responsibility or liability with respect to any information, statements or recitals in any offering memorandum or other disclosure material prepared or distributed with respect to the issuance of those Obligations.

(m) The permissive right of the Trustee to do things enumerated in this Trust Agreement shall not be construed as a duty, and the Trustee shall not be answerable for other than its negligence or willful default. The Trustee shall not be required to give any bond or surety in respect of the execution of the said trusts and powers or otherwise in respect of the Projects.

(n) Before taking any action under this Trust Agreement relating to an Event of Default or in connection with its duties under this Trust Agreement other than making payments of principal and interest represented by the Obligations as they become due, the

Trustee may require that a satisfactory indemnity bond be furnished for the reimbursement of all expenses to which it may be put and to protect it against all liability, including, but not limited to, any liability arising directly or indirectly under any federal, state or local statute, rule, law or ordinance related to the protection of the environment or hazardous substances and except liability which is adjudicated, to have resulted from its negligence or willful default in connection with any action so taken.

(o) The Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Owners of not less than a majority in aggregate principal amount of the Obligations then Outstanding relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Trust Agreement.

Section 7.5. Compensation of Trustee

The City shall from time to time, pursuant to a fee schedule agreed to between the City and the Trustee (which schedule may be amended in writing), pay to the Trustee reasonable compensation for its services, including but not limited to advances to, and reasonable fees and expenses of, independent appraisers, accountants, consultants, counsel, agents and attorneys-at-law or other experts employed by it in the exercise and performance of its powers and duties hereunder. When the Trustee incurs expenses or renders services after the occurrence of an Event of Default, such expenses and the compensation for such services are intended to constitute expenses of administration under any federal or state bankruptcy, insolvency, arrangement, moratorium, reorganization or other debtor relief law.

Section 7.6. Removal and Resignation of Trustee.

(a) The City (but only if no Event of Default has occurred and is continuing) or the Owners of a majority in aggregate principal amount of all Obligations Outstanding, at any time upon thirty (30) days' prior written notice, and for any reason, may remove the Trustee and any successor thereto, but any such successor shall be a bank or trust company having a combined capital (exclusive of borrowed capital) and surplus of at least Fifty Million Dollars (\$50,000,000) and subject to supervision or examination by federal or State authority. If such bank or trust company publishes a report of condition at least annually, pursuant to law or the requirements of any supervising or examining authority above referred to, then, for the purposes of this Section, the combined capital and surplus of such bank or trust company shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published.

(b) The Trustee may at any time resign by giving written notice to the City. Upon receiving such notice of resignation, the City shall promptly appoint a successor trustee by an instrument in writing; provided, however, that in the event that the City does not appoint a successor trustee within thirty (30) days following receipt of such notice of resignation or its giving notice of removal, the retiring Trustee may petition the appropriate court having jurisdiction to appoint a successor trustee. Any resignation or removal of the Trustee and appointment of a successor trustee shall become effective upon acceptance of appointment by the successor trustee. The Trustee and the City shall execute any documents reasonably required to

effect the transfer of rights and obligations of the Trustee to the successor trustee subject, however, to the terms and conditions herein set forth, including, without limitation, the right of the predecessor Trustee to be paid and reimbursed in full for its reasonable charges and expenses (including reasonable fees and expenses of its counsel) and the indemnification under Sections 7.4 and 10.3. Upon such acceptance, the successor trustee shall mail notice thereof to the Owners of the Obligations at their respective addresses set forth on the registration books for the Obligations maintained pursuant to Section 2.13.

Section 7.7. Appointment of Agent

. The Trustee may appoint an agent or agents to exercise any of the powers, rights or remedies granted to the Trustee under this Trust Agreement and to hold title to property or to take any other action which may be desirable or necessary.

Section 7.8. Commingling

. The Trustee may commingle any of the funds held by it pursuant to this Trust Agreement in a separate fund or funds for investment purposes only; provided, however, that all funds or accounts held by the Trustee hereunder shall be accounted for separately notwithstanding such commingling by the Trustee.

Section 7.9. Records

. The Trustee shall keep complete and accurate records of all moneys received and disbursed under this Trust Agreement, which shall be available for inspection by the City, or any of its agents, at any time, upon reasonable prior notice, during regular business hours. The Trustee shall provide the City Representative with semiannual reports of funds transactions and balances.

ARTICLE VIII
MODIFICATION OR AMENDMENT OF AGREEMENTS

Section 8.1. Amendments Permitted.

(a) This Trust Agreement and the rights and obligations of the Owners of the Obligations and the Purchase Agreement and the rights and obligations of the parties thereto, may be modified or amended at any time by a supplemental or amending agreement which shall become effective when the written consent of the Owners of a majority in aggregate principal amount of all Obligations then Outstanding, exclusive of Obligations disqualified as provided in Section 8.3, shall have been filed with the Trustee. No such modification or amendment shall (1) extend or have the effect of extending the final payment of principal represented by any Obligation or reducing the interest rate represented thereby or extending the time of payment of interest, or reducing the amount of principal thereof, without the express consent of the Owner of such Obligation, or (2) reduce or have the effect of reducing the percentage of Obligations required for the affirmative vote or written consent to an amendment or modification of this Trust Agreement or the Purchase Agreement, or (3) modify any of the

rights or obligations of the Trustee without its written assent thereto. Any such supplemental or amending agreement shall become effective as provided in Section 8.2.

(b) This Trust Agreement and the rights and obligations of the Owners of the Obligations, and the Purchase Agreement and the rights and obligations of the parties thereto, may be modified or amended at any time by a supplemental or amending agreement, without the consent of any such Owners, but only (1) to provide for additions or modifications to the Projects, (2) to add to the covenants and agreements of any party, other covenants to be observed, or to surrender any right or power herein reserved to the Trustee (for its own behalf) or the City, (3) to secure additional revenues or provide additional security or reserves for payment of the Obligations, (4) to comply with the requirements of any state or federal securities laws or the Trust Indenture Act of 1939, as from time to time amended, if required by law or regulation lawfully issued thereunder, (5) to provide for the appointment of a successor trustee pursuant to the terms hereof, (6) to preserve the exclusion of interest represented by the Obligations from gross income for purposes of federal or State income taxes and to preserve the power of the City to continue to issue bonds or incur other obligations the interest on which is likewise exempt from federal and State income taxes, (7) to cure, correct or supplement any ambiguous or defective provision contained herein or therein, (8) with respect to rating matters or (9) in regard to questions arising hereunder or thereunder, as the parties hereto or thereto may deem necessary or desirable and which shall not materially adversely affect the interests of the Owners of the Obligations as evidenced by a Special Counsel's Opinion delivered by the City to the Trustee. Any such supplemental or amending agreement shall become effective upon execution and delivery by the parties hereto or thereto as the case may be. The Trustee may rely upon a Special Counsel's Opinion as conclusive evidence that any such supplemental or amending agreement complies with this Article.

Section 8.2. Procedure for Amendment With Written Consent of Obligation Owners.

(a) This Trust Agreement and the Purchase Agreement may be amended by supplemental or amending agreement as provided in this Section in the event the consent of the Owners of the Obligations is required pursuant to Section 8.1. A copy of such supplemental or amending agreement, together with a request to the Owners of the Obligations for their consent thereto, shall be mailed by the Trustee to each Owner of an Obligation at the address thereof as set forth on the registration books for the Obligations maintained pursuant to Section 2.13, but failure to mail copies of such supplemental or amending agreement and request shall not affect the validity of the supplemental or amending agreement when assented to as provided in this Section 8.2.

(b) Such supplemental or amending agreement shall not become effective unless there shall be filed with the Trustee the written consent of the Owners of a majority in principal amount of all Obligations then Outstanding (exclusive of Obligations disqualified as provided in Section 8.3) and a notice shall have been mailed as hereinafter in this Section provided. The consent of an Owner of an Obligation shall be effective only if accompanied by proof of ownership of the Obligations for which such consent is given, which proof shall be such as is permitted by Section 2.12. Any such consent shall be binding upon the

Owner of the Obligation giving such consent and on any subsequent Owner (whether or not such subsequent Owner has notice thereof) unless such consent is revoked in writing by the Owner giving such consent or a subsequent Owner by filing such revocation with the Trustee prior to the date when the notice hereinafter in this Section provided for has been mailed.

(c) After the Owners of the required percentage of Obligations shall have filed their consents to such supplemental or amending agreement, the Trustee shall mail a notice to the Owners of the Obligations in the manner hereinbefore provided in this Section for the mailing of such supplemental or amending agreement of the notice of adoption thereof, stating in substance that such supplemental or amending agreement has been consented to by the Owners of the required percentage of Obligations and will be effective as provided in this Section (but failure to mail copies of said notice shall not affect the validity of such supplemental agreement or consents thereto). A record, consisting of the papers required by this Section to be filed with the Trustee, shall be conclusive proof of the matters therein stated. Such supplemental or amending agreement shall become effective upon the mailing of such last-mentioned notice, and such supplemental or amending agreement shall be deemed conclusively binding upon the parties hereto and the Owners of all Obligations after such filing, except in the event of a final decree of a court of competent jurisdiction setting aside such consent in a legal action or equitable proceeding for such purpose commenced within sixty (60) days.

Section 8.3. Disqualified Obligations

. Obligations owned or held by or for the account of the City or by any person directly or indirectly controlled by, or under direct or indirect common control with the City (except any Obligations held in any pension or retirement fund) shall not be deemed Outstanding for the purpose of any vote, consent, waiver or other action or any calculation of Outstanding Obligations provided for in this Trust Agreement and shall not be entitled to vote upon, consent to, or take any other action provided for in this Trust Agreement; provided, however, that in determining whether the Trustee shall be protected in relying upon any such approval or consent of an Owner, only Obligations which a Responsible Officer of the Trustee actually knows to be owned or held by the City, or by any person directly or indirectly controlled by, or under direct or indirect common control with the City (except any Obligations held in any pension or retirement fund) shall be deemed not to be Outstanding unless all Obligations are so owned, in which case such Obligations shall be considered Outstanding for the purpose of such determination.

Section 8.4. Effect of Supplemental Trust Agreement

. From and after the time any supplemental or amending agreement becomes effective pursuant to this Article VIII, this Trust Agreement or the Purchase Agreement, as the case may be, shall be deemed to be modified and amended in accordance therewith, the respective rights, duties and obligations of the parties hereto or thereto and all Owners of Obligations Outstanding, as the case may be, shall thereafter be determined, exercised and enforced hereunder subject in all respects to such modification and amendment, and all the terms and conditions of any supplemental or amending agreement shall be deemed to be part of the terms and conditions of this Trust Agreement or the Purchase Agreement, as the case may be, for any and all purposes. The Trustee may require each Owner, before his consent provided for in

this Article VIII shall be deemed effective, to reveal whether the Obligations as to which such consent is given are disqualified as provided in Section 8.3.

Section 8.5. Endorsement or Replacement of Obligations Delivered After Amendments

. The Trustee may determine that Obligations delivered after the effective date of any action taken as provided in this Article shall bear a notation, by endorsement or otherwise, in form approved by the Trustee, as to such action. In that case, upon demand of the Owner of any Obligation Outstanding at such effective date and presentation of his Obligation for the purpose at the office of the Trustee, a suitable notation shall be made on such Obligation. The Trustee may determine that the delivery of substitute Obligations, so modified as in the opinion of the Trustee is necessary to conform to such Obligation Owners' action, which substitute Obligations shall thereupon be prepared, executed and delivered. In that case, upon demand of the Owner of any Obligation then Outstanding, such substitute Obligation shall be exchanged at the Designated Office of the Trustee, without cost to such Owner, for an Obligation of the same character then Outstanding, upon surrender of such Outstanding Obligation.

Section 8.6. Amendatory Endorsement of Obligations

. The provisions of this Article shall not prevent any Obligation Owner from accepting any amendment or supplement as to the particular Obligations held thereby, provided that proper notation thereof is made on such Obligations.

ARTICLE IX
COVENANTS, NOTICES

Section 9.1. Compliance With and Enforcement of Purchase Agreement

. The City shall perform all obligations and duties imposed on it under the Purchase Agreement and shall not do or permit anything to be done, or omit or refrain from doing anything, in any case where any such act done or permitted to be done, or any such omission of or refraining from action, would or might be an Event of Default. The City, immediately upon receiving or giving any notice, communication or other document in any way relating to or affecting any such action will deliver the same, or a copy thereof, to the Trustee.

Section 9.2. Observance of Laws and Regulations

. The City shall well and truly keep, observe and perform all valid and lawful obligations or regulations now or hereafter imposed on it by contract, or prescribed by any law of the United States of America, or of the State, or by any officer, board or commission having jurisdiction or control, as a condition of the continued enjoyment of any and every right, privilege or franchise now owned or hereafter acquired by the City, including its right to exist and carry on business as a political subdivision, to the end that such rights, privileges and franchises shall be maintained and preserved, and shall not become abandoned, forfeited or in any manner impaired.

Section 9.3. Recordation and Filing

. The City shall file this Trust Agreement (or a memorandum thereof or a financing statement with respect thereto), and all such documents as may be required by law (and shall take all further actions which may be necessary or be reasonably required by the Trustee which has no duty or obligation to impose such requirements), all in such manner, at such times and in such places as may be required by law in order fully to preserve, protect and perfect the security of the Trustee and the Owners.

Section 9.4. Further Assurances

. The Trustee (at the reasonable request of the City) and the City shall make, execute and deliver any and all such further resolutions, instruments and assurances as may be reasonably necessary or proper to carry out the intention or to facilitate the performance of this Trust Agreement and the Purchase Agreement and for the better assuring and confirming unto the Owners the rights and benefits provided herein.

Section 9.5. Notification to the City of Failure to Make Payments

. The Trustee shall notify the City of any failure by the City to make any Payment or other payment required under the Purchase Agreement to be made to the Trustee, in writing and within one (1) Business Day of any such failure. Such notice shall not be a prerequisite for the occurrence of an Event of Default.

Section 9.6. Business Days

. Except as otherwise required herein, if this Trust Agreement or the Purchase Agreement requires any party to act on a specific day and such day is not a Business Day, such party need not perform such act until the next succeeding Business Day, and such act shall be deemed to have been performed on the day required.

ARTICLE X
LIMITATION OF LIABILITY

Section 10.1. Limited Liability of the City

. Except for the payment of Payments from the Excise Tax Revenues when due in accordance with the Purchase Agreement and the performance of the other covenants and agreements of the City contained in the Purchase Agreement and herein, the City shall have no pecuniary obligation or liability to any of the other parties or to the Owners with respect to this Trust Agreement or the terms, execution, delivery or transfer of the Obligations or the distribution of Payments to the Owners by the Trustee.

Section 10.2. No Liability of the City for Trustee Performance

. The City shall have no obligation or liability to any of the other parties or to the Owners with respect to the performance by the Trustee of any duty imposed upon it under this Trust Agreement.

Section 10.3. Indemnification of the Trustee.

(a) To the extent permitted by law, the City shall indemnify and save the Trustee and its officers, directors, agents and employees, harmless for, from and against all claims, losses, costs, expenses, liability and damages, including legal fees and expenses, arising out of: (1) the use, maintenance, condition or management of, or from any work or thing done on, the Projects or any portion thereof or interest therein by the City; (2) any breach or default on the part of the City in the performance of any of its obligations under this Trust Agreement and any other agreement made and entered into for purposes of the Projects or any interest therein; (3) any act of negligence of the City or of any of its agents, contractors, servants, employees or licensees with respect to the Projects; (4) any act of negligence of any assignee of, or purchaser from, the City or of any of its or their agents, contractors, servants, employees or licensees with respect to the Projects; (5) the acquisition of the Projects or any interest therein; (6) the actions of any other party, including but not limited to the operation or use of the Projects or interest therein by the City; (7) the ownership of the Projects or interest therein; (8) the exercise and performance by the Trustee of its powers and duties hereunder, under the Purchase Agreement or the Obligations or in connection with any document or transaction contemplated herewith or therewith; or (9) any untrue statement or alleged untrue statement of any material fact or omission or alleged omission to state a material fact necessary to make the statements made, in light of the circumstances under which they were made, not misleading in any official statement or other offering circular utilized in connection with the sale of the Obligations, including the costs and expenses of defending itself against any claim of liability arising under this Trust Agreement. No indemnification will be made under this Section or elsewhere in this Trust Agreement for willful misconduct or negligence under this Trust Agreement by the Trustee, or by its officers, agents, employees, successors or assigns. As security for the payment of amounts due under Section 7.5 and this Section, the Trustee shall be secured under this Trust Agreement by a lien prior to that for the Obligations. The obligations of the City hereunder for indemnification under this Section shall remain valid and binding notwithstanding, and shall survive, the prepayment or payment of principal represented by the Obligations or resignation or removal of the Trustee or the termination of this Trust Agreement.

(b) Promptly after determining that any event or condition which requires or may require indemnification by the City hereunder exists or may exist, or after receipt of notice of the commencement of any action in respect of which indemnity may be sought hereunder, the Trustee shall notify the City in writing of such circumstances or action (the "Notification"). Failure to give such notification shall not affect the right of the Trustee to receive the indemnification provided for herewith. Upon giving of the Notification, the Trustee shall cooperate fully with the City in order that the City may defend, compromise or settle any such matters or actions which may result in payment by the City hereunder. The City shall give the Trustee notice of its election within fifteen (15) days after receiving the Notification whether the City, at its sole cost and expense, shall represent and defend the Trustee in any claim or action which may result in a request for indemnification hereunder. If the City timely gives the

notice that it will represent and defend the Trustee thereafter, the Trustee shall not settle or compromise or otherwise interfere with the defense or undertakings of the City hereunder. The City shall not settle or compromise any claim or action against the Trustee without the written approval of the Trustee, except to the extent that the City shall pay all losses and the Trustee shall be fully released from such claim or action. If the City either fails to timely give its notice or notifies the Trustee that the City will not represent and defend the Trustee, the Trustee may defend, settle, compromise or admit liability as it shall determine in the reasonable exercise of its discretion, at the expense of the City. In the event the City is required to and does indemnify the Trustee as herein provided, the rights of the City shall be subrogated to the rights of the Trustee to recover such losses or damages from any other person or entity.

Section 10.4. Opinion of Counsel

. Before being required to take any action, the Trustee may require an opinion of Independent Counsel acceptable to the Trustee, which opinion shall be made available to the other parties hereto upon request or a verified certificate of any party hereto, or both, concerning the proposed action. If it does so in good faith, the Trustee shall be absolutely protected in relying thereon.

ARTICLE XI EVENTS OF DEFAULT AND REMEDIES OF OBLIGATION OWNERS

Section 11.1. Seller's Rights Held in Trust

. As provided herein, the Trustee holds in trust hereunder all of the Seller's rights in and to the Purchase Agreement, including without limitation all of the Seller's rights to exercise such rights and remedies conferred on the Seller pursuant to the Purchase Agreement as may be necessary or convenient to enforce payment of the Payments and any other amounts required to be deposited in the Payment Fund and enforcement of the pledge of the Excise Revenues for the payment of the Obligations.

Section 11.2. Remedies Upon Default; No Acceleration

. If an Event of Default shall happen, then and in each and every such case during the continuance of such Event of Default, the Trustee may, or upon request of the Owners of a majority in aggregate principal amount of the Obligations then Outstanding and receiving indemnity satisfactory to it shall, exercise one or more of the remedies granted pursuant to the Purchase Agreement; provided, however, that notwithstanding anything herein or in the Purchase Agreement to the contrary, there shall be no right under any circumstances to accelerate the payment dates of the Obligations or otherwise to declare any of the Payments not then past due or in default to be immediately due and payable.

Section 11.3. Application of Funds

. All moneys held by the Trustee pursuant to this Trust Agreement and received by the Trustee pursuant to any right given or action taken pursuant to the provisions of this

Article XI or Section 8 of the Purchase Agreement shall be applied by the Trustee in the order following, in the case of the Obligations, upon presentation of the several Obligations, and the stamping thereon of the payment if only partially paid, or upon the surrender thereof if fully paid:

First, to the payment of the fees, costs and expenses of the Trustee and then of the Obligation Owners in declaring such Event of Default, including reasonable compensation to its or their agents, attorneys and counsel and

Second, to the payment of the whole amount then owing and unpaid with respect to the Obligations and, with interest on the overdue principal and installments of interest at the rate of twelve percent (12%) per annum (but such interest on overdue installments of interest shall be paid only to the extent funds are available therefor following payment of principal and interest and interest on overdue principal, as aforesaid), and in case such moneys shall be insufficient to pay in full the whole amount so owing and unpaid with respect to the Obligations, then to the payment of such principal and interest without preference or priority of principal over interest, or of interest over principal, or of any installment of interest over any other installment of interest, ratably to the aggregate of such principal and interest.

Section 11.4. Institution of Legal Proceedings

. If one or more Events of Default shall happen and be continuing, the Trustee in its discretion may, and upon the written request of the Owners of a majority in aggregate principal amount of all Obligations then Outstanding, and upon being indemnified to its satisfaction therefor, shall, proceed to protect or enforce its rights or the rights of the Owners of Obligations by a suit in equity or action at law for the specific performance of any covenant or agreement contained herein. Nothing herein shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Owner any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Owner thereof, or to authorize the Trustee to vote in respect of the claim of any Owner in any such proceeding without the approval of the Owner so affected.

Section 11.5. Non-waiver

. Except as otherwise provided in this Article, the Obligation Owners have the right to institute suit to enforce and collect the Payments as provided in the Purchase Agreement. No delay or omission of the Trustee or of any Owner of any of the Obligations to exercise any right or power arising upon the happening of any Event of Default shall impair any such right or power or shall be construed to be a waiver of any such Event of Default or an acquiescence therein, and every power and remedy given by this Article to the Trustee or the Owners of Obligations may be exercised from time to time and as often as shall be deemed expedient by the Trustee or the Obligation Owners.

Section 11.6. Power of Trustee to Control Proceedings

. In the event that the Trustee, upon the happening of an Event of Default, shall have taken any action, by judicial proceedings or otherwise, pursuant to its duties hereunder,

whether upon its own discretion or upon the request of the Owners of a majority in aggregate principal amount of the Obligations then Outstanding, it shall have full power, in the exercise of its discretion for the best interests of the Owners of the Obligations, with respect to the continuance, discontinuance, withdrawal, compromise, settlement or other disposal of such action; provided, however, that the Trustee shall not discontinue, withdraw, compromise or settle, or otherwise dispose of any litigation pending at law or in equity, without the consent of the Owners of a majority in aggregate principal amount of the Obligations Outstanding.

Section 11.7. Limitation on Obligation Owners' Right to Sue.

(a) No Owner of any Obligation issued hereunder shall have the right to institute any suit, action or proceeding at law or in equity, for any remedy under or upon this Trust Agreement, unless (1) such Owner shall have previously given to the Trustee written notice of the occurrence of an Event of Default hereunder; (2) the Owners of at least a majority in aggregate principal amount of all Obligations then Outstanding shall have made written request upon the Trustee to exercise the powers hereinbefore granted or to institute such action, suit or proceeding in its own name; (3) said Owners shall have tendered to the Trustee indemnity satisfactory to it against the costs, expenses, and liabilities to be incurred in compliance with such request and (4) the Trustee shall have refused or omitted to comply with such request for a period of sixty (60) days after such written request shall have been received by, and said tender of indemnity shall have been made to, the Trustee.

(b) Such notification, request, tender of indemnity and refusal or omission are hereby declared, in every case, to be conditions precedent to the exercise by any Owner of Obligations of any remedy hereunder; it being understood and intended that no one or more Owners of Obligations shall have any right in any manner whatever by his or their action to enforce any right under this Trust Agreement, except in the manner herein provided, and that all proceedings at law or in equity with respect to an Event of Default shall be instituted, had and maintained in the manner herein provided and for the equal benefit of all Owners of the Outstanding Obligations.

(c) The right of any Owner of any Obligation to receive payment of said Owner's proportionate interest in the Payments as the same become due, or to institute suit for the enforcement of such payment, shall not be impaired or affected without the consent of such Owner, notwithstanding the foregoing provisions of this Section or any other provision of this Trust Agreement.

by and between the City and the Trustee. The Trustee maintains a corporate trust office for payment and transfer of this Obligation (the “Designated Office”).

The registered owner of this Obligation is entitled to receive, subject to the terms of the Purchase Agreement, on the payment date set forth above, the principal amount set forth above, representing a portion of the payments due designated as principal coming due and to receive semiannually on January 1 and July 1 of each year commencing _____ 1, 20__ (the “Interest Payment Dates”), until payment in full of said portion of principal or prepayment prior thereto, the registered owner’s proportionate share of the payments designated as interest coming due during the period commencing on the last date on which interest was paid and ending on the day prior to the Interest Payment Date or, if no interest has been paid, from the Dated Date specified above. Said interest is the result of the multiplication of said principal by the interest rate per annum set forth above. Interest shall be calculated on the basis of a 360-day year composed of twelve (12) months of thirty (30) days each.

Said amounts representing the registered owner’s share of the Payments designated as interest are payable in lawful money of the United States of America by check mailed when due by first class mail by the Trustee to the registered owner in whose name this Obligation is registered at the close of business on the fifteenth (15th) day of the calendar month next preceding the Interest Payment Date at the address thereof as it appears on the registration books for the Obligations maintained by the Trustee. Said amounts representing the registered owner’s share of the Payments designated as principal are payable when due upon surrender of this Obligation at the Designated Office. Principal or interest payable to any owner of \$1,000,000 or more in principal amount of the series of obligations of which this Obligation is a part (the “Obligations”) may be paid by wire transfer in immediately available funds to an account in the United States of America if the owner makes a written request of the Trustee at least twenty (20) days before the date of payment specifying the account address. The notice may provide that it shall remain in effect for subsequent payments until otherwise requested in a subsequent written notice.

The Trustee has no obligation or liability to the registered owners of the Obligations for the payment of interest or principal represented by the Obligations. The Trustee’s sole obligations are to administer, for the benefit of the registered owners of the Obligations, the various funds and accounts established pursuant to the Trust Agreement. (The recitals, statements, covenants and representations made in this Obligation shall be taken and construed as made by and on the part of the City, and not by the Trustee, and the Trustee does not assume, and shall not have, any responsibility or obligation for the correctness of any thereof.)

This Obligation has been executed and delivered by the Trustee pursuant to the terms of, and for the purposes described in, the Trust Agreement. The City is authorized to enter into the Purchase Agreement and the Trust Agreement under the laws of the State of Arizona and by ordinance of the Mayor and Council of the City adopted May 1, 2018. Reference is hereby made to the Purchase Agreement and the Trust Agreement (copies of which are on file at the Designated Office) for further definitions, the terms, covenants and provisions pursuant to which the Obligations are delivered, the rights thereunder of the registered owners of the Obligations, the terms under which the Trust Agreement or the Purchase Agreement may be modified or

supplemented, the rights, duties and immunities of the Trustee and the security for, and the rights and obligations of the City under the Purchase Agreement (including with respect to certain obligations secured and to be secured on a parity lien basis with the security for the Payments and to certain limitations on such security), to all of the provisions of which Purchase Agreement and Trust Agreement the registered owner of this Obligation, by acceptance hereof, assents and agrees. (To the extent and in the manner permitted by the terms of the Trust Agreement, the provisions of the Trust Agreement and the Purchase Agreement may be amended by the parties thereto with the written consent of the owners of a majority in aggregate principal of all Obligations then outstanding, and may be amended without such consent under certain circumstances but in no event such that the interests of the owners of the Obligations are adversely affected, provided that no such amendment shall impair the right of any owner to receive in any case such owner's proportionate share of any Payment thereof in accordance with such owner's Obligation.)

The obligation of the City to make the Payments does not represent or constitute a general obligation of the City for which the City is obligated to levy or pledge any form of taxation nor does the obligation to make the Payments under the Purchase Agreement constitute an indebtedness of the City, the State of Arizona or any of its political subdivisions within the meaning of any constitutional or statutory debt limitation or restriction or otherwise.

Neither the Trustee nor the registered owners of the Obligations shall have any right under any circumstances to accelerate the payment dates of the Obligations or otherwise declare any of the Payments not then past due or in default to be immediately due and payable. (This Obligation represents an interest in a limited obligation of the City (as described herein), and no member of the Mayor and Council, officer or agent, as such, past, present or future, of the City shall be personally liable for the payment hereof.)

The Obligations are executed and delivered only in fully registered form in denominations of \$5,000 of principal represented by this Obligation due on a specific payment date or integral multiples thereof. The Obligations shall not be transferable or exchangeable, except as provided in the Trust Agreement.

This Obligation may be exchanged for an Obligation or Obligations of like aggregate payment amount in authorized denominations having the same payment date and interest rate.

This Obligation is transferable by the registered owner hereof, in person or by his attorney duly authorized in writing, at the Designated Office, but only in the manner, subject to the limitations and upon payment of the charges provided in the Trust Agreement and upon surrender and cancellation of this Obligation. Upon such transfer a new Obligation or Obligations, of authorized denomination or denominations, for the same aggregate principal amount will be delivered to the transferee in exchange therefor. The City and the Trustee may treat the registered owner hereof as the absolute owner hereof for all purposes, whether or not this Obligation shall be overdue, and the City and the Trustee shall not be affected by any notice to the contrary.

The Trustee may require a registered owner, among other things, to furnish appropriate endorsements and transfer documents and to pay any taxes or governmental charges required by law in connection with the exchange or transfer.

The registered owner of this Obligation shall have no right to enforce the provisions of the Trust Agreement or the Purchase Agreement or to institute any action to enforce the covenants thereof, or to take any action with respect to a default thereunder or hereunder, or to institute, appear in or defend any suit or other proceedings with respect thereto, except as provided in the Trust Agreement.

Principal represented by the Obligations payable before or on July 1, 20__, is not subject to prepayment. Principal represented by the Obligations payable on or after July 1, 20__, is subject to prepayment in such order and from such principal amounts payable as may be selected by the City, in whole or in part on any date on or after July 1, 20__, at a price equal to the principal amount to be prepaid, together with accrued interest to the date fixed for prepayment but without premium.

If less than all of the principal represented by the outstanding Obligations of any payment date are to be prepaid, the Obligations (or portions hereof) to be prepaid will be selected by the Trustee by lot or in any customary manner as determined by the Trustee. Prepayments shall be in authorized denominations or any integral multiples thereof.

The Trustee shall give notice of any prepayment of this Obligation as provided above no more than 60 or less than 30 calendar days prior to the prepayment date to the registered owner at its address shown on the registration books maintained by the Trustee. A certificate of the Trustee shall conclusively establish the mailing of any such notice for all purposes.

If at the time of mailing of the notice of prepayment there has not been deposited with the Trustee moneys or eligible securities sufficient to prepay and other requirements set forth in the Trust Agreement are not met, such notice shall state that it is conditional, subject to the deposit of moneys sufficient for the prepayment and satisfaction of such conditions. If the portion of the principal represented by the Obligation is subject to prepayment and if on the prepayment date moneys for the prepayment thereof are held by the Trustee and those other conditions are met, thereafter such principal to be prepaid shall cease to bear interest, and shall cease to be secured by, and shall not be deemed to be outstanding under, the Trust Agreement. The failure to receive any notice of prepayment, or any defect in such notice in respect of any Obligation, shall not affect the validity of prepayment of any Obligation

The Trustee may, but shall not be obligated to, exchange or register the transfer of this Obligation (i) if this Obligation has been selected for prepayment, or (ii) during a period of fifteen (15) days preceding the giving of a notice of prepayment. If this Obligation is so transferred, any notice of prepayment which has been given to the transferor shall be binding on the transferee, and a copy of the notice of prepayment shall be delivered by the Trustee to the transferee along with the duly registered Obligation.

This Obligation shall not be entitled to any security or benefit under the Trust Agreement until executed by the Trustee.

IN WITNESS WHEREOF, this Obligation has been executed and delivered by the Trustee, acting pursuant to the Trust Agreement.
