Over the past decade I have been involved in many community activities including the Airport Authority Finance Committee, Chamber of Commerce Board of Directors, Kingman Regional Medical Center Foundation, and Mohave County Board of Adjustments to name a few. These boards and commissions have provided many learning experiences given the vast structure of the organizations, development in mission and values, and how to help propel thoughts and ideas into reality. In addition to the previous community activities, I have been very involved in business development and I have a solid understanding of how business operate. I also have a bachelors degree and two masters degrees.

I have recently relocated from Kingman, AZ to the Flagstaff market and want to continue to be involved in civic activities by volunteering my time and experience. Given my background and experiences, I believe I could be an asset to the community
