

WOODSON

ENGINEERING & SURVEYING, INC.

UTILITY EASEMENT ABANDONMENT

ATTN: Land Department
APS
2200 E Huntington Dr.
Flagstaff, AZ 86004

FROM: Woodson Engineering and Surveying, Inc.

DATE: January 29, 2014

PROJECT: Village at Aspen Place - Apartments NO.: 112044

APPROVAL TYPE: Abandonment of Public Utility Easements

Enclosed you will find the Exhibit A-1 that Woodson Engineering & Surveying, Inc., has prepared to indicate the easements in question. On behalf of the City of Flagstaff, we are requesting approval from stated franchise utility to abandon the indicated public utility easement (s). The utility has provided information which indicates that there are no existing utilities within the easement to be abandoned.

Please respond to the request for information below and return it to Woodson Engineering and Surveying, Inc., no later than 5:00 pm, **1/30/14**. Thank you for taking the time to complete, sign, and date this document.

There is an existing 4" DIP private fireline in the easement north of Seville Lane, as well as two 2" water services in the easement west of Seville Lane. Both of the water services as well as the fireline will need to be abandoned per City of Flagstaff Engineering Standards (Please see the attached map and as-built)
