Background Information

Please explain how your community activities and other relevant experience/interests are applicable to this board or commission.

I recently moved here from Helena, MT. While in Helena, I served on the City/County Parks and Recreation Advisory Board where I helped to plan, coordinate and execute new universally accessible park, dog park, and mountain biking terrain park. Additionally I offered my insight in selling/purchasing property for parks as well as creating sustainable maintenance plans for improving existing parks. I thoroughly enjoy participating on the board and helping to build a better community. Feel free to contact Amy Teegarden, Director of Parks and Recreation in Helena, MT at 406.447.8462 or ateegarden@helenamt.gov for a reference.

Why do you want to serve on the board or commission you listed?

Personally I've experienced the benefits of parks and recreation throughout my life; whether it be playing at or hiking through parks, or participating in community programs like tennis, geo-caching, kids soccer, etc. Now, as a father of two children (ages 4 and 6), I find parks to be an integral part of our lives. Furthermore, I plan on living in Flagstaff for a long time. I'd like to start planting my roots and figuring out what I can do to be more involved in improving the community I live in.

By submitting this electronic form, I acknowledge that any information provided above is public information, and I certify that I meet the City Charter requirement of living within the Flagstaff City limits and have read and understand the right to have my application considered in a public meeting.
