Board/Commission Application

Important Notice:

The City Council may consider appointments to boards and commissions in executive sessions which are closed to the public, and then make the appointments in a public meeting. You have the right, however, to have your application considered in a public meeting by providing a written request to the City Clerk.

Application to Serve on a Board/Commission

Please note that this information is public information.

Date:* 08/18/2014
Board/Commission you wish to serve on:* Airport Commission
If applicable, type of seat for which you are qualified:

Your Information

Name:* Beth Applebee Home Phone:* 928-522-0647
Home Address:* 1621 Slippery Rock Rd. Zip:* 86004
Mailing Address (If different from above):
Employer:* Northern Arizona University Job Title:* Executive Director
Business Phone: Cell: 928-699-9784
E-mail:* Beth.Applebee@nau.edu
Indicate preferred telephone:*
() Home (X) Cell
() Work
Please indicate age group:*
() 18-34 () 55+
(X) 35-54
Please indicate education:*
() High School (X) Post Graduate
() College
Number of years living in the Flagstaff area:* 36

Background Information

Please explain how your community activities and other relevant experience/interests are applicable to this board or commission.

I have 30 years of experience working for Northern Arizona University. Much of the university's work is done through committee/board type work. I also have worked on several community groups such as Coconino County Health Pandemic Preparedness for Northern Arizona and the Northern Region Healthcare Coalition. I have also participated in community-wide emergency preparedness drills and have received high-level ICS (Incident Command System) training. I have served as Incident Commander for several emergencies at NAU. I mention these responsibilities to demonstrate my experience working with groups of people to get work done. I see the role of citizens serving on commissions as a critical function of our governance. The citizens can provide the perspective of the users and provide feedback on whether the service is meeting the needs of the community served.

Why do you want to serve on the board or commission you listed?

I have particular interest in the Airport Commission as I am a user of the services both commercially and as a private pilot. I am interested in how the airport meets the need of the Flagstaff community now and into the future.

By submitting this electronic form, I acknowledge that any information provided above is public information, and I certify that I meet the City Charter requirement of living within the Flagstaff City limits and have read and understand the right to have my application considered in a public meeting.

Number of years living in the Flagstaff area:* 13

Background Information

Please explain how your community activities and other relevant experience/interests are applicable to this board or commission.

Owning a limousine and car service, I have a vested interest in the operation of the airport and tourism industry in Flagstaff. I have many contacts and friends whose livelihood depends on the airport facilities and the impact it has on our community. My wife is employed by US Airways, so our medical insurance is directly tied to the airport operations. Why do you want to serve on the board or commission you listed?

I would like to serve on this commission because of the amount of impact it has on the community and on myself personally. The growth and management of Pulliam Airport is vital to our economy in so many ways. Helping to guide our airport in the future will enable me to give back to the airport that has helped my business, my family and my community. I have contracted with Clear Channel Media and will be one the major advertisers at the airport for the next 3 years.

By submitting this electronic form, I acknowledge that any information provided above is public information, and I certify that I meet the City Charter requirement of living within the Flagstaff City limits and have read and understand the right to have my application considered in a public meeting.

City of Flagstaff
Application to Serve on the Airport Commission
Terry W. Greene
July 15, 2014

Background Information - in descending order:

- Served the City of Cupertino as City Architect for 11 years managing the capital improvement program; supervised the development, design and construction of a variety of civic projects including a civic center, library, community hall, pedestrian bridge, community parks, bicycle and pedestrian trails, and stream and habitat restoration
- Served the City of San Jose as a Senior Architect for 3 years supervising the landside terminals, parking garages, and traffic circulation of the San Jose Airport master plan as well as the development, design and construction of the International Arrivals Facility
- Worked as a project manager for Bechtel International for 2 years in the development and design of a theme park and a combined luxury city in the middle east
- Served the City of San Jose as a Senior Architect for 3 years and managed the city hall master plan and a variety of library, park, community hall, and fire station projects
- Worked for W. L. Gore and Associates for 2 years in Flagstaff, Arizona
- Served the San Jose Redevelopment Agency as a Senior Construction Manager for 5 years supervising consultants and staff in the construction of the convention center and the design of the arena
- Served in the California Air National Guard at Moffett Field for 6 years as a Base Civil Engineer and as a search and rescue helicopter pilot
- Worked in several California private architectural practices for 9 years
- Served in the Montana Army National Guard for 3 years as a helicopter pilot while attending college
- Attended Auburn University for 2 years in architecture and graduated from Montana State University with a Bachelor of Architecture - awarded a retroactive Master of Architecture in 2013 by Montana State University
- Received an FAA Commercial Pilot Certificate for single and multi-engine airplanes and helicopters
- Served on active duty in the Army between 1966 and 1972 as a helicopter mechanic, Artillery officer, helicopter pilot in Viet Nam, flight instructor, flight examiner, and assistant director of the Army's cargo helicopter training program

Reasons I wish to serve:

I, and my wife Susan, came to this community in 1991 with our two young children, while we were on vacation from California. We jumped at the chance several months later to move here and work for W. L. Gore, and we bought a home on Paradise Road. Our family ties in Arizona go all the way back to 1908 in Williams, where my grandparents raised their family, so moving to Flagstaff was like coming home. But, as life would have it, we were lured back to California for many more years of interesting and demanding work. Now, we're back home in Flagstaff, for good.

I believe that, with my years of aviation experience, and my years of collaborative work experience with the senior staff in other cities, I can assist the Flagstaff City staff and Council in their efforts to promote the airport as a valuable regional resource into the future. It would be an honor to serve on the Airport Commission.

Terry W. Greene

Background Information

Please explain how your community activities and other relevant experience/interests are applicable to this board or commission.

I have broad experience in the aviation field along with leadership skills in both business and community organizations. I am the local squadron leader of the Civil Air Patrol, with 30+ members. I am an instrument-rated private pilot and fly frequent Search and Rescue (SAR) flights. Additionally, I am active with Scouting and supporting Science, Technology, Engineering and Math (STEM) outreach to local schools. Professionally, I lead the aerospace industry research for Accenture, a leading global technology firm, providing management and technology consulting services to the major aerospace and defense corporations. As part of my role, I regularly meet with senior business leaders across the aviation industry and attend key trade events. Additionally, I track and advise companies on a broad range of FAA and EASA (Europe) regulatory issues. While at Accenture and at prior firms, I have had leadership roles in the areas of marketing, strategy, business development, aircraft maintenance & repair, field operations and program management. These community, aviation and business experiences combine to provide a well-rounded base to draw from for active involvement on the Airport Commission.

Why do you want to serve on the board or commission you listed?

I have been increasingly active in the community since moving to Flagstaff two years ago. My local involvement combined with my broad experience as a business leader in the aviation field provides a solid foundation for providing insight into community needs and bringing to bear insightful industry thought leadership. I hope that I can be an active resource to help accelerate the growth and development strategies to address both community and business objectives. As a passionate resident of Flagstaff and Northern Arizona, I desire to become more involved in the community and see the Airport and adjacent Airpark as a key driver for that growth and development.

By submitting this electronic form, I acknowledge that any information provided above is public information, and I certify that I meet the City Charter requirement of living within the Flagstaff City limits and have read and understand the right to have my application considered in a public meeting.
