#### Background Information

Please explain how your community activities and other relevant experience/interests are applicable to this board or commission.

I work full-time at Northern Arizona University's Facility Services as the construction contract administrator. I work closely with Project Managers, Architects/Engineers, Contractors, and other stake holders to process construction projects for the campus. Additionally, my spouse and I own 50% of the Museum Club, which is located in a historic building. I know the importance preserving Flagstaff's heritage has on not only our local community, but also our tourism and visitors.

Why do you want to serve on the board or commission you listed?

I would like to serve on the Heritage Preservation Commission because I have an interest in preserving Flagstaff's treasured history. As a small-business owner of a business that draws a lot of visitors because of its historic building, I know the value that preservation brings to individuals and the community as a whole. Arizona is still a young state, but the heritage we have is strong. I would love to contribute to its preservation in any way I can.

By submitting this electronic form, I acknowledge that any information provided above is a public record, and I certify that I meet the City Charter requirement of living within the Flagstaff City limits and have read and understand the right to have my application considered in a public meeting.

#### Background Information

Please explain how your community activities and other relevant experience/interests are applicable to this board or commission.

My education and my employment experience apply to serving on the Heritage Preservation Commission. I am in my second year of graduate school at Northern Arizona University, studying applied anthropology. My studies focused on archaeology and cultural resource management. I am familiar with the National Historic Preservation act, the Secretary of the Interior's Standards and Guidelines, and the Secretary of the Interior's Standards for the Treatment of Historic Properties, which guide the Heritage Preservation Commission's consideration of significance for potential heritage resources (City of Flagstaff). My applicable employment experience consists of twelve weeks of archaeological research and fieldwork on the water use and sustainability of the 12th and 13th century dry-land farmers of Wupatki National Monument (Berry 2013). In addition, I developed a climate change vulnerability assessment for Wupatki National Monument during the summer of 2012 (Berry 2012). Finally, I gained international resource management experience during an excavation and survey of Celtic and Roman archaeological sites in Galicia Spain in the summer of 2011. Education M.A. Applied Anthropology. (Expected 2014) Northern Arizona University, Flagstaff, Arizona B.A. Anthropology. Arizona State University, Tempe, Arizona (2011) A.A. General Studies. Mesa Community College, Mesa, Arizona (2011) Works Cited Berry, Sean P. 2013 Prehistoric Water Use and Sustainability of Wupatki National Monument, Wupatki National Monument, Flagstaff Area Monuments, National Park Service, Flagstaff. 2012 Vulnerability Assessment for Archaeological Resources at Wupatki National Monument, Flagstaff Area Monuments, National Park Service, Flagstaff. City of Flagstaff n.d. Landmark Design Review Overlay District Design Standards and Guidelines and Historic Preservation Resources. The City of Flagstaff, Arizona.

Why do you want to serve on the board or commission you listed?

I desire to serve on Heritage Preservation Commission for three reasons: 1. I believe that the preservation of our community's historical and cultural foundations are in the public interest, because historically significant properties and objects have economic, aesthetic, informative, and symbolic value that benefit our community. 2. By serving on the Heritage Preservation Commission, I will gain experience in cultural resource management that I can apply to future endeavors. 3. "A work that has cost days, weeks, or years of toil has a right to existence" (W.M. Flinders Petrie 1904).

By submitting this electronic form, I acknowledge that any information provided above is public information, and I certify that I meet the City Charter requirement of living within the Flagstaff City limits and have read and understand the right to have my application considered in a public meeting.
