Background Information

Please explain how your community activities and other relevant experience/interests are applicable to this board or commission. *

I moved to flagstaff in the summer of 2005 to attend NAU for a Masters in Anthropology and have been working in cultural resources management in northern Arizona ever since. While I was in graduate school, I worked as an archaeologist for Flagstaff Area National Monuments, and then I worked as a Vanishing Treasures Archaeologist at Grand Canyon National Park. I currently work for the Natural Resources Conservation Service as their northern Arizona Cultural Resources Specialist. I have an extensive understanding about the various cultural resource Regulations and would be honored to put them to work for Flagstaff. My wife and I have lived in Flagstaff for 10 years and have come to love the rich history of the region. One of our favorite activities is walking through downtown and the surrounding neighborhoods of the historic district. We appreciate that the city has embraced the protection its historic past while simultaneously meeting the needs of a modern city. I feel that my experience in cultural resources management combined with my love of the history of Flagstaff makes me a good candidate for this commission.

Why do you want to serve on the board or commission you listed? *

My wish to serve on this commission comes from a desire to use the knowledge that I have acquired in cultural resources management and give back to my community. I believe one of the most important aspects of community is understanding and protecting our collective history. Working with business owners and property owners to protect the significance of historic buildings and promoting creative ways to adaptively reuse these structures is important to the future of the Flagstaff we all love.

By submitting this electronic form, I acknowledge that any information provided above is public information, and I certify that I meet the City Charter requirement of living within the Flagstaff City limits and have read and understand the right to have my application considered in a public meeting.
