INTERGOVERNMENTAL AGREEMENT

BETWEEN
THE STATE OF ARIZONA
AND
CITY OF FLAGSTAFF

THIS AGREEMENT is entered into this date _____, 2015, pursuant to the Arizona Revised Statutes §§ 11-951 through 11-954, as amended, between the STATE OF ARIZONA, acting by and through its DEPARTMENT OF TRANSPORTATION (the "State" or "ADOT") and the CITY OF FLAGSTAFF, acting by and through its MAYOR and CITY COUNCIL (the "City"). The State and the City are collectively referred to as "Parties."

I. RECITALS

1. The State is empowered by Arizona Revised Statutes § 28-401 to enter into this Agreement and has delegated to the undersigned the authority to execute this Agreement on behalf of the State.
2. The City is empowered by Arizona Revised Statutes § 48-572 to enter into this Agreement and has by resolution, a copy of which is attached hereto and made a part hereof, resolved to enter into this Agreement and has authorized the undersigned to execute this Agreement on behalf of the City.
3. Congress has established the Highway Safety Improvement Program (HSIP) as a core federal-aid for the specific purpose of achieving a significant reduction in traffic fatalities and serious injuries on public roads. The State, the Federal Highway Administration (FHWA) and the City have identified systematic improvements within the City as eligible for this funding.
4. The improvements proposed in this Agreement, hereinafter referred to as the "Project," include design, purchase and installation of signs at various City locations. The State will administer the scoping and design of the Project. The Project will be performed, completed, accepted and paid for in accordance with the requirements of the Project plans and specifications.
5. The interest of the State in this Project is the acquisition of federal funds for the use and benefit of the City and to authorize such federal funds for the Project pursuant to federal law and regulations. The State shall be the designated agent for the City for the Project, if the Project is approved by FHWA and funds for the Project are available.
6. The Parties shall perform their responsibilities consistent with this Agreement and any modification to the Project will only occur with the mutual written consent of both Parties.

7. The federal funds will be used for the scoping and design of the Project. The estimated Project costs are as follows:

SH595 03D (scoping/design):

Federal-aid funds @ 100% (capped)

\$ 36,891.00

The Parties acknowledge that the final Project design costs may exceed the initial estimate(s) shown above, and in such case, the City is responsible for, and agrees to pay, any and all eventual, actual costs exceeding the initial estimate. If the final Project design cost estimate is less than the initial estimate, the difference between the final design cost estimate and the initial estimate will be de-obligated or otherwise released from the Project. The City acknowledges it remains responsible for, and agrees to pay according to the terms of this Agreement, any and all eventual, actual costs exceeding the estimated Project design cost amount.

THEREFORE, in consideration of the mutual Agreements expressed herein, it is agreed as follows:

II. SCOPE OF WORK

1. The State will:

a. Upon execution of this Agreement, be the designated agent for the City for the Project, if the Project is approved by FHWA and funds for the Project are available.

b. On behalf of the City, prepare and provide all pertaining documents for the design of the Project (Phase II and Phase III, see exhibit A for signs inventory); review and approve documents required by FHWA to qualify certain projects for and to receive federal funds, incorporating comments from the City, as appropriate. Such documents may consist of, but are not specifically limited to, environmental documents; the preparation of the analysis requirements for documentation of environmental categorical exclusion determinations; review of reports, design plans, maps, and specifications; geologic materials testing and analysis; right-of-way related activities and such other related tasks essential to the achievement of the objectives of this Agreement.

c. Submit all documentation required to FHWA containing the above-mentioned Project with the recommendation that funding be approved for scoping and design. Request the maximum federal funds programmed for the scoping and design of the Project. Should costs exceed the maximum federal funds available it is understood and agreed that the City will be responsible for any overage.

d. Be granted, without cost, the right to enter City rights-of-way, as required, to conduct any and all construction and preconstruction related activities, including without limitation, temporary construction easements or temporary rights of entry to accomplish among other things, soil and foundation investigations.

e. Notify the City that the Project design has been completed and is considered acceptable, coordinating with the City as appropriate. De-obligate or otherwise release any remaining federal funds from the construction phase of the Project within ninety (90) days of final acceptance.

f. Not be obligated to construct said Project, should the City fail to budget for or obtain funding to construct the Project, as set forth in this Agreement.

2. The City will:

- a. Upon execution of the Agreement, designate the State as authorized agent for the City for the Project.
- b. Review design plans, specifications and other such documents and services required for the construction bidding and installation of the Project, including scoping/design plans and documents required by FHWA to qualify projects for and to receive federal funds. Provide design review comments to the State as appropriate.
- c. Be responsible for all costs incurred in performing and accomplishing the work as set forth under this Agreement, not covered by federal funding. Should costs be deemed ineligible or exceed the maximum federal funds available, it is understood and agreed that the City is responsible for these costs, payment for these costs shall be made within thirty (30) days of receipt of an invoice from the State.
- d. Be responsible for the maintenance of the signs on City's right-of-way.
- e. Certify that all necessary rights-of-way have been or will be acquired prior to advertisement for bid and also certify that all obstructions or unauthorized encroachments of whatever nature, either above or below the surface of the Project area, shall be removed from the proposed right-of-way, or will be removed prior to the start of construction, in accordance with The Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 as amended; 49 CFR 24.102 Basic Acquisition Policies; 49 CFR 24.4 Assurances, Monitoring and Corrective Action, parts (a) & (b) and ADOT ROW Manual: 8.02 Responsibilities, 8.03 Prime Functions, 9.06 Monitoring Process and 9.07 Certification of Compliance. Coordinate with the appropriate State's Right-of-Way personnel during any right-of-way process performed by the City, if applicable.
- f. Not permit or allow any encroachments upon or private use of the right-of-way, except those authorized by permit. In the event of any unauthorized encroachment or improper use, the City shall take all necessary steps to remove or prevent any such encroachment or use.
- g. Grant the State, its agents and/or contractors, without cost, the right to enter City rights-of-way, as required, to conduct any and all construction and preconstruction related activities, including without limitation, temporary construction easements or temporary rights of entry to accomplish among other things, soil and foundation investigations.
- h. Be obligated to incur any expenditure should unforeseen conditions or circumstances increase the cost of said work required by a change in the extent of scope of the work requested by the City. Such changes require the prior approval of the State and FHWA. Be responsible for any contractor claims for additional compensation caused by Project delays attributable to the City, payment for these costs shall be made within thirty (30) days of receipt of an invoice from the State.
- i. Pursuant to 23 USC 102(b), repay all Federal funds reimbursements for preliminary engineering costs on the Project if it does not advance to right-of-way acquisition or construction within ten (10) years after Federal funds were first made available.

III. MISCELLANEOUS PROVISIONS

1. The terms, conditions and provisions of this Agreement shall remain in full force and effect until completion of said Project and related deposits or reimbursement, except any provisions for maintenance shall be perpetual, unless assumed by another competent entity. Further, this Agreement may be cancelled at any time prior to the award of the Project construction contract, upon thirty (30) days written notice to the other party. It is understood and agreed that, in the event the City terminates this

Agreement, the City will be responsible for all costs incurred by the State up to the time of termination. It is further understood and agreed that in the event the City terminates this Agreement, the State shall in no way be obligated to maintain said Project.

2. The State assumes no financial obligation or liability under this Agreement, or for any resulting construction Project. The City, in regard to the City's relationship with the State only, assumes full responsibility for the design, plans, specifications, reports, the engineering in connection therewith and the construction of the improvements contemplated, cost over-runs and construction claims. It is understood and agreed that the State's participation is confined solely to securing federal aid on behalf of the City and the fulfillment of any other responsibilities of the State as specifically set forth herein; that any damages arising from carrying out, in any respect, the terms of this Agreement or any modification thereof shall be solely the liability of the City and that to the extent permitted by law, the City hereby agrees to save and hold harmless, defend and indemnify from loss the State, any of its departments, agencies, officers or employees from any and all liability, costs and/or damage incurred by any of the above arising or resulting from this Agreement; and from any other liability, damage to any person or property whatsoever, which is caused by any activity, condition, misrepresentation, directives, instruction or event arising out of the performance or non-performance of any provisions of this Agreement by the State, any of its departments, agencies, officers and employees, or its independent contractors, the City, any of its agents, officers and employees, or its independent contractors. Costs incurred by the State, any of its departments, agencies, officers or employees shall include in the event of any action, court costs, and expenses of litigation and attorneys' fees.

3. The cost of design, construction and construction engineering work under this Agreement is to be covered by the federal funds set aside for this Project, up to the maximum available. The City acknowledges that the eventual actual costs may exceed the maximum available amount of federal funds, or that certain costs may not be accepted by the federal government as eligible for federal funds. Therefore, the City agrees to furnish and provide the difference between actual Project costs and the federal funds received.

4. Should the federal funding related to this Project be terminated or reduced by the federal government, or Congress rescinds, fails to renew, or otherwise reduces apportionments or obligation authority, the State shall in no way be obligated for funding or liable for any past, current or future expenses under this agreement.

5. The cost of the project under this Agreement includes indirect costs approved by FHWA, as applicable.

6. The Parties warrant compliance with the Federal Funding Accountability and Transparency Act of 2006 and associated 2008 Amendments (the "Act"). Additionally, in a timely manner, the City will provide information that is requested by the State to enable the State to comply with the requirements of the Act, as may be applicable.

7. The City acknowledges compliance with federal laws and regulations and may be subject to the Office of Management and Budget (OMB), Single Audit, Circular A-133 (Audits of States, Local Governments, and Non-Profit Organizations). Entities that expend \$500,000.00 or more (prior to 12/26/14) and \$750,000.00 or more (on or after 12/26/14) of federal assistance (federal funds, federal grants, or federal awards) are required to comply by having an independent audit. Either an electronic or hardcopy of the Single Audit is to be sent to Arizona Department of Transportation Financial Management Services within the required deadline of nine (9) months of the sub recipient fiscal year end.

8. This Agreement shall become effective upon signing and dating of the Determination Letter by the State's Attorney General.

9. This Agreement may be cancelled in accordance with Arizona Revised Statutes § 38-511.

10. To the extent applicable under law, the provisions set forth in Arizona Revised Statutes §§ 35-214 and 35-215 shall apply to this Agreement.

11. This Agreement is subject to all applicable provisions of the Americans with Disabilities Act (Public Law 101-336, 42 U.S.C. 12101-12213) and all applicable Federal regulations under the Act, including 28 CFR Parts 35 and 36. The parties to this Agreement shall comply with Executive Order Number 2009-09 issued by the Governor of the State of Arizona and incorporated herein by reference regarding "Non-Discrimination".

12. Non-Availability of Funds: Every obligation of the State under this Agreement is conditioned upon the availability of funds appropriated or allocated for the fulfillment of such obligations. If funds are not allocated and available for the continuance of this Agreement, this Agreement may be terminated by the State at the end of the period for which the funds are available. No liability shall accrue to the State in the event this provision is exercised, and the State shall not be obligated or liable for any future payments as a result of termination under this paragraph.

13. In the event of any controversy, which may arise out of this Agreement, the Parties hereto agree to abide by required arbitration as is set forth for public works contracts in Arizona Revised Statutes § 12-1518.

14. The Parties shall comply with the applicable requirements of Arizona Revised Statutes § 41-4401.

15. The Parties hereto shall comply with all applicable laws, rules, regulations and ordinances, as may be amended.

16. All notices or demands upon any party to this Agreement shall be in writing and shall be delivered in person or sent by mail, addressed as follows:
