#### Background Information

Please explain how your community activities and other relevant experience/interests are applicable to this board or commission. \*

I have been a Flagstaff transit user and recognize the importance of good transit systems to the success of communities such as Flagstaff. As an NAU employee, I see the value of community partnerships and believe that I can continue to contribute to those relationships. I believe in the expansion of transit as one way to address the congestion in Flagstaff.

Why do you want to serve on the board or commission you listed? \*

I have served on the TAC for the last three years and would like to continue on in the same capacity now that I'm much more familiar with the issues and workings of public transit. I would like to be able to continue to contribute to NAIPTA as it serves such an important function in the community. Plus, it's a really well run organization and I enjoy being a part of it!

By submitting this electronic form, I acknowledge that any information provided above is public information, and I certify that I meet the City Charter requirement of living within the Flagstaff City limits and have read and understand the right to have my application considered in a public meeting.

Please note that all board and commission meetings are streamed live for public viewing.
