RE: LIQUOR LICENSE APPLICATION – SERIES 10- FOR “Hoot Mart”

On March 31, 2016, I initiated an investigation into an application for a series 10 (beer and wine store) liquor license filed by Cecily Maniaci the owner of The Hoot Mart. Cecily Maniaci is the only listed owner and operator on the license. Cecily will run the day to day operations. The convenience mart is located at 101 E. Birch Avenue in downtown Flagstaff. This application is for a series 10 license #10033220. The location of the business is outside of 300 feet from any church or school.

I conducted a query through local systems and public access on Cecily Maniaci. No derogatory records were found. Cecily has attended the mandatory liquor law training course and provided proof. I spoke with Cecily who stated she had never been arrested, and has ownership of three other liquor licenses. Cecily stated she had received three administrative violations for delinquent taxes in the past. All of the violations have since been cleared through the payment of fines. Cecily said the license is for a convenience mart that she plans to sell beer and wine. Cecily does not plan at the moment to sell 40 oz. malt liquor or single cans of beer. The new location of the Hoot Mart is currently under renovation.

As a result of this investigation the recommendation to Council is for approval of the series 10 license.
